

REMARKS

In response to the Advisory Action dated 18 November 2004, Applicant submits the enclosed amendments to the claims. The amendments to the claims incorporate the inverted-F antenna limitation (from claims 2 and 14) into independent claims 1 and 13 and cancelled claims 2, 14, and 21 – 24. On 9 December 2004, Applicant's representative spoke with the Examiner, Mr. Tuan Tran. During this conversation, Examiner Tran indicated that these amendments would put the application in condition for allowance.

As amended, claims 1, 3 – 13, and 15 – 20 are allowable. Therefore, Applicant respectfully requests the Examiner allow the claims and move the application forward to allowance. Should any issues remain unresolved, Applicant respectfully requests the Examiner call the undersigned so that any such issues may be resolved.

Respectfully submitted,
